Diaper Distribution Day (DDD) – May 18th to May 20th

By focusing on diaper need, the Idaho Diaper Bank (IDB) works to meet the basic needs of children and families. Idaho Diaper Bank was established to provide diapers, diapering supplies and advocacy to families in need through partnership agencies. These agencies serve infants and families including childcare centers, crisis nurseries, domestic violence shelters, food pantries and faith-based organizations. Idaho Diaper Bank seeks to engage Idaho communities to recognize that diapers are a basic need, along with food and shelter.
